RAN away on the evening of the first instant, a
negro man called CHARLES, a short black
fellow, thirty-five years of age, strong and active,
broad shoulders, large face, nose, mouth, and thick
lips, marked in the face by the small-pox; his left
ear is much smaller than the right; he walks remark-
ably wide, and turns his toes very much in. He
went off about this time last year, and was out nine
months, employed by, and taken in the house of, a
free negro, who rents land of Samuel Ward, near
Herring creek church, who knew him to be my
slave; he has a quick way of speaking, and a re-
markable down look when spoken to. It is presumed
he will make for the Federal City or Baltimore, and
will endeavour to pass for a free man, and probably
will take the name of, and may obtain a pass from,
some free negro. A reward of twenty dollars will
be paid for taking and securing him at either of the
above cities, or ten dollars if taken a less distance,
with reasonable expenses if delivered to Joseph
Taylor, or

W. BROGREN.

GIDEON WHITE,

HAS JUST RECEIVED, FOR SALE,
From LEE's and Co. Patent and Family Medicine
Store Baltimore,

A fresh supply of the following valuable medicines:
DR. HAHN'S GENUINE WATER.

A sovereign remedy for all diseases of the eyes,
whether the effects of natural weakness or of accident,
speedily removing inflammations, discharges of rheum,
dullness, itching, and films on the eyes, never failing
to cure those maladies which frequently succeed the
small-pox, measles, and fevers, and wonderfully
strengthening a weak sight. Hundreds have experi-
enced its excellent virtues, when nearly deprived of
light.

TOOTH-ACHE DROPS.

The only remedy yet discovered which gives im-
mediate and lasting relief in the most severe in-
flamances.

THE ANODYNE ELIXIR,

For the cure of every kind of head-ache.

THE DAMASK LIP SALVE

Is recommended (particularly to the ladies) as an
elegant and pleasant preparation for chapped and sore
lips, and every blemish and inconvenience occasioned
by colds, fevers, &c. speedily restoring a beautiful
rosy colour and delicate softness to the lips.

THE RESTORATIVE POWDER FOR THE TEETH AND GUMS.

This excellent preparation comforts and strengthens
the gums, preserves the enamel from decay, and
cleanses and whitens the teeth, absorbing all that
acrimonious slime and foulness, which suffered to ac-
cumulate, never fails to injure and finally ruin them.

DR. HAMILTON'S GRAND RESTORATIVE,

IS recommended as an invaluable medicine, for the
speedy relief and permanent cure of the various com-
plaints which result from dissipated pleasures—juvenile
indolence—residence in climates unfavourable to
the constitution—the immoderate use of tea, frequent
intoxication, or any other destructive intemperance—
the unskillful or excessive use of mercury—the diseases
peculiar to females, at a certain period of life—bad
layings in, &c. &c.

And is proved by long and extensive experience to
be absolutely unparalleled in the cure of—nervous dis-
orders, consumptions, lowness of spirits, loss of ap-
petite, impurity of the blood, hysterical affections,
inward weaknesses, violent cramps in the stomach and
back, indigestion, melancholy, gout in the stomach,
pains in the limbs, relaxations, involuntary emissions,
seminal weaknesses, obstinate plethors, fluor albus, (or
whites) impotency, barrenness, &c. &c.

In cases of extremity where the long prevalence and
obstinacy of disease has brought on a general im-
poverishment of the system, excessive debility of the
whole frame, and a wasting of the flesh which no
nourishment or cordial could repair, a perseverance in
the use of this medicine has performed the most as-
tonishing cures.

The grand restorative is prepared in pills as well as
in a fluid form, which affords considerably in producing
a gradual and lasting effect. Their virtues remain
unimpaired for years in any climate.

DR. HAMILTON'S

Genuine Essence and Extract of Mustard.

FOR the cure of rheumatism, gout, rheumatic
gout, palsy, lumbago, numbness, white-swellings,
chilblains, sprains, bruises, acute and chronic rheu-
matism.

Many persons have been much disappointed by pur-
chasing medicines under the name of Essence of Mus-
tard, which are perfectly different from this remedy—
the superior qualities of which Dr. Hamilton begs
leave to prove by the following cures, selected from a
numerous list.

From Mr. Charles Willet, Plasterer, Pratt-street, Bal-
timore.

Sir,

I SEND you the particulars of my cure by Hamil-
ton's Essence and Extract of Mustard, that you may
make it known for the benefit of others. About two
months ago I strained my right knee so violently by a
fall, that I was unable to walk without a crutch, I
tried British oil, oppodeldoc and other medicines, but
grew considerably worse, and the part became in-
flamed and swelled to a considerable degree, when I
was recommended to the Essence of Mustard, and by
using two bottles I was able to walk in less than a
week, and am now as hearty as ever.

Dec. 30, 1799.

CHARLES WILLET.

Mr. Henry Reese, Butcher, Proprietor of No. 24,
Centre market-house, Baltimore.

Sir,

ABOUT two months ago, your valuable medicine
proved of singular service to me, I was not able to
move from my room for upwards of a fortnight, with
the rheumatism or rheumatic gout in my left foot and
ankle, when Dr. Buchanan recommended the Essence
of Mustard, as the only medicine to be depended on,
and directed me where to procure it, and by using less
than a quarter of a bottle and a few of the pills, I
was able to ride to market next day, and have been
perfectly free from my complaint ever since.

Jan. 4, 1800.

HENRY REESE.

Mrs. Mary M'Crae, wife of Mr. George M'Crae,
grocer, Bond-street, Fell's Point, was perfectly cured
(by persevering in the use of Hamilton's Essence and
Extract of Mustard) of a rheumatic complaint of
eleven years standing. The greatest part of last win-
ter she was unable to dress or undress without assis-
tance, she had the best medical advice both in Europe
and America without effect.

DR. HAMILTON'S celebrated WORM DESTROYING LOZENGES,

Which have relieved upwards of eighteen thousand per-
sons of all ages, within nine months past, in various
dangerous complaints, arising from worms, and from
foulness or obstructions in the stomach and bowels—
they are a remedy suited to every age and constitution,
contain nothing but what is perfectly innocent, and
are so mild in their operation that they cannot injure
the most delicate pregnant lady, or the tenderest in-
fant of a week old, should no worms exist in the
body, but will, without pain or griping, cleanse the
stomach and bowels of whatever is foul or offensive,
and thereby prevent the production of worms and
many fatal disorders.

THE PERSIAN LOTION,

So celebrated amongst the fashionable throughout Europe,
As an invaluable cosmetic, perfectly innocent and
safe, free from any corrosive and repellent minerals,
(the basis of other lotions) and of unparalleled efficacy
in preventing and removing cutaneous blemishes of
the face and skin of every kind, particularly freckles, pim-
ples, pits after the small-pox, inflammatory scurfs,
scurs, tetter, ringworms, sunburns, prickly heat, pre-
mature wrinkles, &c.

The Persian Lotion operates mildly, without im-
peding that natural, insensible perspiration which is
essential to the health—Yet its salutary effects are
speedy and permanent, rendering the skin delicately
soft and smooth, improving the complexion and re-
storing the bloom of youth. Never failing to render an
ordinary countenance beautiful, and an handsome one,

proved ineffectual; and not one in an hundred has

medy ever offered to the public, and for the satisfac-
tion of the timorous, the proprietor maketh oath, that

mercury or any other pernicious ingredient in its com-
position, and may be used with the most perfect safety
by pregnant women and on infants newly born.

PATENT INDIAN VEGETABLE SPECIFIC,

and has restored health to many who have been
brought to the grave, by the improper administration
of mercury. Within this period upwards of four
thousand patients have experienced its salutary ef-
fects.

With the medicine is given a description of the
symptoms which obtain in every stage of the disease,
with copious directions for their treatment, so as to
accomplish a perfect cure in the shortest time, and
